BIOGRAPHY

Nick Shelton, is the best-selling author of *An Introvert's Guide To World Domination*, speaker and coach for introverted career professionals and has been fine-tuning the craft of effective social strategy and high-level networking for twenty years.

Beginning with his time in the United States Air Force which taught him how to break down complicated practices into simple steps, Nick learned skills that were indispensable to his journey.

Coupled with extensive research and fifteen years of experience in the oil and gas industry, Nick cracked the code and developed tools that gave him the confidence to flourish in all types of social situations. Nick has successfully built a strong, high-level, international network of friends, colleagues, and associates and teaches introverts how to navigate social events with ease and make REAL connections in order to upgrade their lives and lifestyles.

ABOUT NICK SHELTON

TESTIMONIALS:

"Nick is an amazing speaker. I can honestly say I had trepidation engaging a publicly acknowledged introvert for an event. His honesty and understated humor completely captivated a pretty diverse audience. He was the highlight of the event, and honestly gave one of the best presentations I've seen in years."
